

# Disability Inclusive Volunteering

Is your organisation interested in supporting volunteers with a disability?

Is your organisation ready to become more inclusive?

Our **FREE** program is here to help!

The Disability Inclusive Volunteering Project Coordinator will work alongside your organisation to improve recruitment, induction and support for volunteers with disabilities.

As part of the Pilot Round, starting late March 2021, you will have access to three 1/2 day workshops, over four months.

The Project Coordinator will also deliver in-house support, working together on policies, procedures and practices to improve inclusive volunteering in your organisation.

For more information or to register your interest, please contact Project Coordinator Pip Smith on **0413 743 718** or [p.smith@sev.org.au](mailto:p.smith@sev.org.au)
