

Disability Inclusive Volunteering

Does your organisation need more volunteers?

Is your organisation ready to become more inclusive?

Our **FREE** program is here to help!

The Disability Inclusive Volunteering Project has been developed to provide organisations with support to recruit and support people with disabilities into meaningful volunteer roles.

Feedback from Round 1 and 2 includes:

“Fantastic and well presented, clear and valuable information”

“Being disability inclusive is easier than first thought”

By participating in the program, you will have free access to:

- In-house support to improve inclusive volunteering in your organisation
